Virtus Academy Title I Plan

Employ 2 full time and 1 part time Instructional Interventionists to identify struggling and at-risk students and work with those identified students in a small group setting to address their individual math needs.
Purchase two software licenses (Renaissance for grades K-8 and See Saw for grades K-2) to provide additional instructional resources to support literacy growth and student engagement.
Employ a full time PBL Instructional Coach to assist teachers with implementing their PBL plans, run training programs on implementation, meet with all grade levels to write and implement plans and plan year end PBL event.
Provide supplemental reading materials for students to increase reading proficiency by purchasing books for classroom libraries for grades K - 8. All books and subject matter will be appropriate for the age, grade, and subjects being taught.
Purchase supplies and materials to support Project-Based Learning projects. The purpose of these materials is to provide supplies for students to complete their PBL activities that will be based on grade-level standards.
Purchase a school-wide Parent Square license to provide a communication platform to increase parent/family communication and strengthen the home-school connection.
Purchase supplies for the parent and family engagement events. Those events include: Holidays Around the World, STEM Night and PBL Showcase.
Provide the salary and benefits for one .50 Federal Programs Coordinator to monitor the expenditures of Title I including: overseeing and managing data, writing plans, communicating with staff, parents, and the district, and planning parent/community Title I events.
Total Allocation = $183,444.00

Kristen Kleine - Federal Programs Coordinator
