Each family is requested to pay a technology fee of \$37.95 for their child to receive and maintain a working Chromebook for the school year. With this fee, your child's Chromebook is covered for the following:

- **Cracked Screens**
- **Liquid Spills**
- **Full immersion**
- **Run over by a car**
- **Chewed by a dog**
- **Dropped in the pool**
- **& More**

Technology fee and signed Technology Policy form will need to be received before the child will receive and is able to carry the device off school grounds.
